

THE 14TH ANNUAL FITCHBURG BLACKSMITH FESTIVAL

September 30th 2017

at Fitchburg Riverfront Park
Commercial Street/Boulder Drive
Downtown Fitchburg, MA

Coordinated by community volunteers, the Annual Fitchburg Forge-In Blacksmith Festival has successfully showcased artisans from Western New England. We welcomed over 2,000 visitors at our last Festival and we expect many more this year.

The Festival is geared toward promoting the craft of blacksmithy and the arts. The exciting Forge-In live competition where blacksmiths create preset projects using traditional fire and anvil methods makes this an unusual event. Live music, seasonal foods, and children's activities complete the day.

Admission to the Festival is free and is made possible by the many businesses, individuals and organizations that contribute to this event. We highlight this event to the public on every calendar in the region and some nation-wide, as one of the premier festivals in New England. The Festival is promoted through advertisements, press releases, public service announcements, flyers, radio and local television.

Registration is \$50 per 10' x 10' space, if registered by September 8, 2017. Registration is \$75 after that date. There is no fee for established non-profit organizations.
